User Manual

OBJECTIVE

The objective of the game is to destroy all the blocks in each level to achieve the highest possible score. Lives are limited, and there is no way of obtaining more, so play carefully!

Lives left are shown on the right side of the screen:

If you lose all lives you will have to start the game all over.

CONTROLS

- Press Q to move the paddle left.
- Press P to move the paddle right.
- Press Space to launch the ball when it is attached to the paddle.

BLOCK TYPES

There are 3 different block types:

- Gold Blocks: These blocks cannot be destroyed.

- Silver Blocks: These blocks can be destroyed with 2 or more hits, depending on the level. Once destroyed they give 30 points.

- Common Blocks: These blocks are destroyed after one hit and can have many colors. They give 10 points.

LEVELS

There are a total of 7 levels.
