

# ALPHA-STRIP

Mustapha NIH

Valable pour  
 CPC 464  
 CPC 664  
 CPC 6128

*Alors, voilà. Alpha-strip est un jeu de lettres disons, euh... spécial. Le but du jeu n'est pas très difficile à comprendre une fois l'écran apparu. En effet Alpha-strip se propose de vous exercer les neurones avec un jeu de lettres.*

*"C'est tout?" hurlent en chœur les lecteurs. Bon, il y a tout de même un plus que je vous laisse découvrir.*
