During the match sequence when the ball is being passed, the section of the park where it is being passed to, will light up.

The players in that area will battle against each other for the ball. This is how you judge players - on how often they get the ball.

Try to see him against good opposition and away from home.

Before playing a team in a big match, go and see them play. This will enable you to find out their strengths and weaknesses and their tactics.

For instance, if they have a very good right winger, you could play two left backs to counter this.

Substitutes can be brought on during the match by pressing the 's' key. Remember to keep holding the 's' down because you can only substitute when the opponenets have the ball.
