

EVA STRIP WORD

En l'an 2090, la terre est sous l'emprise des envahisseurs de l'apocalypse. Il règne sur terre un climat de haine, de barbarie et de vengeance. Pourtant, un jeu martien passionne les foules. Il peut vous apporter la gloire ou la déchéance. Mais, un jour, vous êtes "tiré" au sort pour jouer contre la martienne Eva en neuf coups. Le jeu que voici n'est pas un jeu d'arcade et encore moins un jeu d'aventure mais un super pendu-strip qui sort de l'imagination de notre ami Philippe PRADIER, du petit village de Belves. Il y a neuf mots à trouver. Je vous préviens, ce sont des mots martiens (qui ne veulent rien dire), essayez de les trouver et le mois prochain on vous donnera un programme pour pouvoir changer ces mots par les vôtres. Les programmes sont numérotés, donc ne faites pas d'erreurs. J'oubliais, si vous avez moins de 18 ans, demandez l'accord de vos parents.
