2. History

Have you ever wondered what they keep inside Area 51? What does they want us not to see?

Enter at the deepest of the Area 51 where they hide their biggest secrets and get the world to see it with their own eyes

Don't get caught!

The facilities are guarded by a multitude of soldiers, try to avoid each and every soldier to discover the truth, good luck!

3. The game

Try to enter to the deepest and take their most valuable secrets (hint: it will follow you)
