

THE CURSED FORT

Getting start

To launch quickly the game “The Cursed Fort”, tape LOAD”FORT.BAS” then tape RUN.

The story

The story takes place during the Civil War. You are the Sergeant John Borrow. You are part of the army of the north at war against the army of the south.

In 1862, the army of the north also sends you to put down the Sioux revolt. Unfortunately, you are captured during a Sioux attack at Fort Ridgely.

The story begins here...

Tips

♥ : endurance. It's your physical and moral form

ω : ability. It's your skill in combat

? : Luck can make your adventure more successful

During combat, when your opponent moves back, you can attack him.

During your entire adventure, you cannot carry more than 3 meals. Your endurance cannot exceed 80. So remember to manage your inventory well.

During the labyrinth, listen to what the soldiers of the army of the south say.

Wakan Tanka has a weak point. Find it if not ...
