

1ère partie

MEGA SOUND est un logiciel performant qui permet de reproduire des données vocales ou musicales sur votre ordinateur et de les sauvegarder sur un support cassette ou disquette.

Ainsi, les données peuvent être retravaillées grâce à la palette d'utilitaires que comprend MEGA SOUND. De plus, vous pourrez utiliser vos créations musicales et vocales dans vos propres programmes BASIC ou Langage Machine sans le logiciel. MEGA SOUND est un programme divisé en 5 parties qui elles-mêmes regroupent des sous-parties. Nous entendons ici par sous-parties et parties des programmes qui doivent être chargés. (Figure 0).

Nous allons aborder ce mois-ci la présentation et le menu principal.

Tapez et lancez les programmes suivants :

- | | |
|---------------------------------|-------------------------------|
| 1.BAS qui correspond à MEGA.BIN | } LOADER
+
PRESENTATION |
| 2.BAS qui correspond à MEGA.LOD | |
| 3.BAS qui correspond à MEGA.ECT | } MENU
PRINCIPAL |
| 4.BAS qui correspond à MENU.BIN | |

Enfin, tapez et sauvez LOADER.BAS. Ensuite, faites un RUN "LOADER".

Il apparaît alors la présentation, appuyez sur une touche pour la suite du programme. Il apparaît l'écran du menu principal ainsi que ses différentes icônes que nous allons expliquer sous la forme d'un schéma.

Voilà figure 1.

Nous allons maintenant faire un essai de digitalisation :

- Branchez un magnétophone ou même un lecteur de compact-disc sur l'entrée magnétophone du 6128.
- Mettez le curseur vitesse à fond à droite en appuyant sur l'icône >
- Mettez le curseur volume à fond à droite en appuyant sur l'icône >
- Pointez sur l'icône CONT pour sélectionner le morceau à digitaliser, dès que vous êtes prêt, appuyez sur l'icône REC puis appuyez sur l'icône PLAY pour réécouter le morceau.

*Stéphane ST MARTIN
& Fabien FESSARD*

ALLO AMSTAR & CPC : ATTENTION !

La rédaction d'Amstar & CPC tient à vous signaler que, tout à fait exceptionnellement, la permanence téléphonique ne sera pas accessible durant tout le mois d'avril.

Mais, ne vous inquiétez pas !...

Avec l'arrivée du joli mois de mai, les bonnes habitudes seront vite reprises le mercredi de 14 h à 17 h au 99.52.98.11.
