

# FEUD

## THE STORY

"No one knows 'ow long they have been ere; even old Albert don't recall 'em comin' an' 'e reckons'e might be over'undred! We didn't mind when they kept themselves to themselves. I mean, all we wants is a bit o' piece an' quiet an' leave to go about our business. We're simple folk 'ere in Little Dullford and we can't be loin' with magic ad spells. I never did'old with folk meddlin' in things best left alone. We'd see 'em o'course; in the forest pickin' toadstools an' suchlike, or p'raps one would pop into Tubby Hieke's shop for'erbs ad stuff, but by an' large they left us normal folk alone, and that's 'ow we like it.

They'd 'ad arguments before, we all know that. Well, readin' them magic books all day they can't be right in the 'ead can they? Anyway, two summers back, or maybe three (I remember because that was the year Albert's donkey died), old Leanoric (he's the older one I think), he turned 'is brother Learic into a frog! His own brother! but he turned 'im back after a week an' at least they didn't bother us.

Two weeks back, all this changed; first the forest went quiet for a few days, not even a sparra' dared to make a sound. Then the noises began, first shoutin' then all manner o' bangs, explosions and things best not thought about. Yesterday, old Leanoric upped an' left an' moved to another 'ut on t'uther side o'village. Hieke (who knows 'em better'n most), reckons they's about to start a feudin' an' woe betide the poor soul who gets in their way. That as maybe but there's strange things afoot in this 'ere village an' no mistake. It don't take no fancy book learnin' to figger we 'ain't seen the last o' this, you mark my words."

## THE GAME

You take the role of Learic and playing the game is simply a matter of moving through the Kingdom collecting ingredients to make spells. You are able to mix these spells and use them against your opposing Wizard LEANORIC, but remember LEANORIC is doing the same and is out to destroy you.

## SOME IMPORTANT POINTS

1. You can only teleport when other characters cannot see you and always teleport to your cauldron.
2. Pressing Return centralises your character on the screen.
3. Offensive spells (Sprites, Fireball, Lightning) can be dodged, but you cannot simply run away from the attack ... You are not a coward.
4. Villagers and Travellers can be changed into Zombies. Travellers always walk along the road and being strong willed, even as Zombies, do not obey your commands. Villagers being of low intelligence are more susceptible to orders when in a Zombie state and will walk in the direction you indicate but won't leave the limits of their own territory.
5. Compass points to Leanoric.
