

JEU

SPORT

Luc & Hervé GUILLAUME

Pour concourir aux Jeux Olympiques, il faut avoir subi un entraînement intensif. Sport se propose de vous muscler en participant aux 5 épreuves suivantes : 100 m, saut en longueur, 200 m, lancer de poids et course cycliste. Pour jouer il faut utiliser la touche COPY pour courir et la touche ESPACE pour lancer le poids ou sauter.

Chargement : le programme comprend une première partie appelée SPORT, il y a ensuite 3 listings DATA1, DATA2 et DATA3. Ces derniers devront être lancés successivement : ce sont eux qui vont sauver respectivement SPORT.001, SPORT.002 et SPORT.003. Pour jouer, il faudra taper RUN*SPORT*.

SPORT

Valable pour
 CPC 464
 CPC 664
 CPC 6128

FAIRBANK ?

**Pas une autre gestion de compte bancaire ?
 Si, si,... mais quel programme !**

Enfin, une "gestion de compte bancaire" d'une efficacité impressionnante, d'une simplicité éclatante. Un véritable livre de caisse de 40 colonnes sur disque. Quarante postes, ou comptes, numérotés, dénommés par vous et indexés, auxquels toutes transactions sont attribuées. Lister ou imprimer, par poste, par nom, par catégorie, de date à date, etc. Analyser à tout moment l'ensemble de vos dépenses et recettes. Afficher les soldes des postes à plein écran. Idéal pour incorporer dans une comptabilité traditionnelle.

Une importante caractéristique de FAIRBANK est d'avoir toujours sur l'écran la dictée nécessaire pour effectuer chaque étape de l'opération en cours sans aide extérieure.

Enregistrer un chèque ? Plus simple que de l'écrire dans un chéquier, semi-automatique en fait. Toutes écritures sont triées, classées. Un relevé de compte ? Jeu d'enfant ! Saisir deux dates, le listing s'affiche et, à la demande, une concordance avec le relevé bancaire paraît, toute différence chiffrée.

POUR CPC 6128 SEULEMENT
